## DETAILED ACTION

### *Election/Restrictions*

1. Newly submitted claim 11 is directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the method steps of claim 11 can be used other and different ice fishing display devices than that recited in claim 10 such as a display device not having a lens or a rubber bushing to seal the cord to the enclosure.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claim 11 is withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

2. This application is in condition for allowance except for the following formal matters:

Claim 11 is withdrawn from consideration and should be canceled to place the application in condition for allowance.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
